WEAVING TO HEAL COUNTRY

Reclaim the Void is a bold cross-cultural project. It seeks to raise awareness of the story of country and its importance in Aboriginal culture in both its physical and spiritual dimensions. It is a project of reconciliation, healing and hope. The project was born from Ngalia elders in Leonora expressing their pain and grief at 'those gaping mining holes left all over our country'.

The idea was conceived to symbolically 'seal' one of the holes with an artwork expressing the story of country.

Enjoy the company of like-minded people in a safe and friendly environment.

Alcoholics Anonymous Preamble

Alcoholics Anonymous is a fellowship of people who share
their experience, strength and hope with each other that
they may solve their common problem and help others
to recover from alcoholism.

The only requirement for membership is a desire to stop
drinking. There are no dues or fees for A.A. membership; we
are self-supporting through our own contributions. A.A. is not
allied with any sect, denomination, politics, organisation or
institution; does not wish to engage in any controversy, neither
endorses nor opposes any causes. Our primary purpose is to
stay sober and help other alcoholics to achieve sobriety.
