OPAL CARDS

What is Opal?

Opal makes getting around on public transport easy. To travel anywhere from the Blue Mountains to Bondi, or Goulburn to Scone, all you need is an Opal card.

Opal cards are smartcard tickets that you keep, top up and reuse to pay for travel on public transport. Simply add value to your Opal card then tap on and tap off to pay your fares on metro, trains, buses, ferries and light rail – anywhere within the Opal network.

How to get an Opal Card

There are a number of ways to get an Opal card, depending on the card you need.

Opal cards can be ordered online for delivery to an Australian address within 5 to 7 business days. Adult and Child/Youth Opal cards are also available over the counter from most retailers, including most convenience stores and newsagents. Concession Opal cards need to be ordered online so your concession eligibility can be confirmed.

- **Adult Card**: if you're 16 years of age, or older, and normally pay full fare
- **Child/Youth**: if you're aged 4-15 years old, or a full time NSW/ACT school student aged 16 years or older
- **Senior/Pensioner**: for eligible seniors, pensioners and asylum seekers
- **Concession**: for eligible tertiary or TAFE students, apprentices, trainees or job seekers

How to Top it up

When you need to top up you have lots of options. The easiest way is to set up auto top up so you are always ready to travel.

You can top up:

- via the Opal website
- via the Opal Travel app
- over the counter at Opal retailers
- using one of the Opal top up machines available at selected stations, stops and wharves
- at Transport Customer Service Centre's
- at selected Service NSW Centre's

When you top up online or via the Opal Travel app, you can access your new balance in as little as 15 minutes for metro, train, ferry and light rail services. Allow up to 60 minutes for buses.

How to Tap on and Tap Off

Hold your Opal card, contactless card or device to the Opal card reader until it turns green. A green light and one ding means your tap was successful.
